Citroën Dropside

Features

- One piece, 15mm thick birch non-slip deck.
- Recessed, wash down lashing rings, tested to 800kg.

- Three-level load lashing assembly.
- Bolted assembly with a 400kg gantry capacity.

- Seamless aluminium boards, perfect for livery.
- Boards and lock assemblies tested to a burst load of 1.7t.

- Removable, powder coated rear corner pillars extend above board height to form lateral stops.
- Wire rope supports retain tailboard horizontally and prevent rear lamp obstruction.
