INGIMEX

Nissan Dropside

Suitable for general freight, the Ingimex Dropside is a low cost, lightweight, high strength body with a market leading payload designed to EN12642 XL & EN12640.

Designed and tested to the latest European standards, fitted with an array of features as standard, and easily adapted to allow for the addition of optional modifications; the Ingimex dropside is the perfect partner for your Nissan NV400 chassis.

DESIGNED, MANUFACTURED AND TESTED IN THE UK

COMES WITH A 3 YEAR INGIMEX WARRANTY AS STANDARD
